General Comments							

Describe - What do you literally see, what do you think you know? subject, size, medium, form, style...

sketch image

Interpret - What choices has the artist made? What is implied beyond the surface image? Does this work remind you of anything, can you compare it to any other work?

Evaluate - Praise/Judge Does it affect you? Does it evoke an emotional response?

Theorize - is it art? If not, what is it? Who is the intended audience? Does it have anything to say about the world?
